## Welton Baptist Church

Welcome to our service this morning, especially if this is your first visit. We trust that you have received a warm welcome and pray that you will experience our risen Saviour as we worship God together. Each Sunday we meet at Somervale School at 10:30am and at Welton chapel at 6:00pm. The first Sunday evening of each month is a worship night and we'd love to welcome you along to one of these evenings.

**EVERYONE WELCOME**

Voltage & Ignite will be out to their groups this morning.

James, Sandra & family, who are serving Jesus in Nepal, will be spending the summer in Europe visiting friends, family and supporters and wondered whether anyone would have a camper van they could borrow, so that they had 'a stable base' for a few weeks rather than making extra work for folks when they stay for a night.

The van will need to seat 6 but if it only sleeps 4, that would be fine and would need to be available from 7th June until 1st August or any part of that also. If you can help with this, or know someone who could please contact James at: [james@bigfootprint.org](mailto:james@bigfootprint.org) or let Sally Petit know and she can pass on any details.

This would be a huge blessing for the family!  
 Thank you

**Sunday  
Morning  
@ 10**

Sunday morning prayer at 10:00 will continue as usual this Sunday at the front of the main hall. The whole congregation are welcome to come.

**PLEASE JOIN IN!**

In case you haven't realised, the seating plan at Somervale has been designed so that the area to the right, as you enter the hall, is the quietest zone to sit in as this area is the furthest from any speaker.

Does anyone still have a cassette player and would like some children's story and music tapes?

If so please contact; Sally Kertzman [sally@splitsecondtiming.co.uk](mailto:sally@splitsecondtiming.co.uk)

### ADVANCE NOTICE

We have our next Member's Meeting on Thursday 2nd April, 7.45pm at the chapel. There will not be a separate Powerhouse of Prayer that week as it will be incorporated into the member's meeting. We encourage you to come along and contribute as well as hearing about vision and important updates. Please send apologies to Sally Petit at [admin@weltonchurch.org.uk](mailto:admin@weltonchurch.org.uk)

Do you have a tablet or iPad that you no longer use or need?

If so, could you consider donating it to someone who can not get along to church now or in the future? We are looking into the possibility of 'live streaming' our church services for those who unable to be at church, through ill health or mobility issues, so that they can still enjoy services and feel connected. Please speak to Matt H if you can help with this.

The Midweek prayer **M I D W E E K** meeting continues again on *prayer* Wednesday 25th March,

9:30am, at the chapel. We get together to pray twice a month on a Wednesday morning for an hour and if you are able to join us.

## Website Revamp!

The new website is now live! Please take a look and see what you think.

Accessing information should not have changed from before but if you have any problems please let one of the admin team know.

Thank you

Please bear in mind that our ENERGY groups need additional helpers, it wouldn't be a weekly commitment but could involve a monthly duty, perhaps playing with the younger Sunbeams would be your thing or teaching a bible story in Bright Sparks and Dynamos is more appealing. There are crafts to be organised or setting up and clearing away to be done. The Voltage & Ignite groups are also needing extra help which may be something that interests you.

Arrange to go along to one of the groups and see for yourself.

**Child Protection & Safeguarding** - If anyone has any concerns about a child or vulnerable adult then please contact Carly Kingswood at the email address as shown below. Our child protection and vulnerable adult policies can be found on our website.
